

The Montana Carbon Capture Forum

Featuring remarks by:
Montana Governor Steve Bullock and Cloud Peak Energy CEO Colin Marshall

**Thursday, October 5th
Noon - 2:00 p.m. (MT)**

**Big Horn Resort
1801 Majestic Lane
Billings, MT 59102**

Luncheon hosted by:
**The National Enhanced Oil Recovery Initiative and the
State CO₂-EOR Deployment Work Group**

Montana legislators, state and local officials, industry, labor, environmental and other stakeholders, and the public are invited to attend this luncheon event on Thursday, October 5th, together with members of the National Enhanced Oil Recovery Initiative and the State CO₂-EOR Deployment Work Group, who are gathering in Billings from around the U.S.

[Register](#) for your free ticket today! Attendance is free, but advance registration is required.

The Forum will highlight the energy, jobs and emissions reduction potential and benefits that can be achieved through carbon capture at industrial facilities and power plants and the beneficial use and storage of CO₂ in enhanced oil recovery. Speakers will outline key federal and state policies to accelerate deployment of carbon capture technology and CO₂ pipeline infrastructure.

Luncheon remarks from Montana Governor Steve Bullock and Cloud Peak CEO Colin Marshall will be followed by a panel discussion featuring industry, labor and environmental perspectives.
